The Bicentennial of the United States Constitution

1987 - 1991

The Department of Defense initiated the commemoration of the Bicentennial of the United States Constitution on September 14, 1986, at Fort Meade, Maryland, when it hosted a Joint Services ceremony to honor the Bicentennial of the Annapolis Convention. Held September 11-14, 1786, the Annapolis Convention prompted the eventual drafting and signing of the Constitution. Twenty-three of the forty signers of the Constitution were veterans of the Revolutionary War, patriots and leaders in every sense of the word. They fought the war, signed the Constitution, forged the new government, and went on to careers of distinguished public service in the new Republic.

Central to the Department of Defense commemoration is recognition of over 200 years of Soldier-Statesman leadership and service. During 1987, the celebration concentrated on the drafting and signing of the Constitution. During 1988, primary attention centered on Ratification by the States and on *The Federalist* Papers, arising from the lively Federalist - Anti-Federalist debates. During 1989, the focus was on the Establishment of the Federal Government and National Defense. During 1990, the Department of Defense will commemorate the Establishment of the Judiciary and will observe the Bicentennial of the following important events:

September 29, 1789
Congress established the Army under the Constitution.

February 2, 1790
Supreme Court convenes for the first time.

May 29, 1790
Rhode Island is the last of the original states to ratify the Constitution. (34 Yeas; 32 Nays.)

June 20, 1790
The House of Representatives votes 32 to 29 to locate the national capitol on a ten-mile square plot on the Potomac River and designates Philadelphia as the temporary capitol.

August 4, 1790
The First Congress authorized the construction of the ten cutters establishing the system of cutters which eventually became the United States Coast Guard.

December 6, 1790
Congress moves from New York to the temporary capitol of Philadelphia.

Each year the President proclaims September 17 as Citizenship Day and the period beginning September 17 and ending September 23 as Constitution Week.
